### Community Inspections

Now that warmer weather is here, it's time for Spring cleaning and community inspections. Below is a list of the things we look for when we inspect your community:

- Yards should be mowed and maintained.

If you have are unsure of your rules and regulations, please review them. You can find your rules and regulations on our website at [www.ahunter.com](http://www.ahunter.com). ## 9 Interesting Facts about Memorial Day

More than 1 million men and women who have lost their lives defending America in wars from the Revolution to the global war on terrorism are remembered on Memorial Day. Flags are placed at gravesites, ceremonies and parades are held as well as many other events to honor those who made the ultimate sacrifice.

1. Memorial Day was originally called Decoration Day. Gen. John A. Logan, commander of the Grand Army of the Republic, called for a day of remembrance on May 30, 1868, "for the purpose of strewing with flowers, or otherwise decorating the graves of comrades who died in defense of their country during the late rebellion." Nearly 620,000 soldiers lost their lives in the Civil War.

2. On the first Decoration Day in 1868, Gen. James Garfield made a speech at Arlington National Cemetery, where 5,000 participants decorated the graves of the 20,000 Union and Confederate soldiers buried there. (via history.com)

3. In 1966, Congress declared Waterloo, NY, the official birthplace of Memorial Day for being the first town to celebrate the holiday 100 years prior.

4. In 1968, Congress passed the Uniform Monday Holiday Act, which established Memorial Day as the last Monday in May, instead of May 30, in order to create a three-day weekend for federal employees. The change went into effect in 1971.

5. On Dec. 28, 2000, President Bill Clinton signed into law the National Moment of Remembrance Act, which asks Americans to pause on Memorial Day at 3 pm local time for one minute to honor those who died protecting America's rights and freedoms.

6. On Memorial Day, the U.S. flag should be displayed at half-staff from sunrise until noon, then raised to the top at full staff until sunset.

7. Red poppies are to be worn the Friday before Memorial Day. The red poppy is a nationally recognized symbol of sacrifice worn by Americans since World War I to honor those who served and died for our country in all wars.

8. The American Automobile Association estimates that more than 36 million people will travel at least 50 miles from home this Memorial Day.

9. "Peak hot dog season" is considered to start on Memorial Day. Between then and Labor Day, Americans will likely eat 7 billion hot dogs.

Today's manufactured homes are modern and are built with the same insulation and roofing as site-built homes. There are many floor plans to choose from as well as hundreds of options for colors, countertops, fixtures, flooring, cabinetry, and etc. Each model can be customized to suit you. Let us help you find your dream home.
