Community Inspections

Now that warmer weather is here, it's time for Spring cleaning and community inspections. Below is a list of the things we look for when we inspect your community:

- Homes should be power washed if they are dirty or contain mildew. Homes should be clean and painted.
- Yards should be mowed and maintained.
- Patios/porches and yards should be free of debris and clutter.
- Porches should only have lawn furniture and a grill.
- There should be no garbage or junk lying around.
- Skirting should be well maintained and installed properly.
- Sheds should be well maintained and properly painted/stained.

Inspections

Inspections are done to ensure the pleasant appearance of the community. We ask that everyone is neat and is keeping their home and lot maintained. This makes an appealing community for everyone. We aren't out to "pick on residents", we just want to ensure that things are maintained, as you agreed to when you moved in to the community. If you have are unsure of your rules and regulations, please review them. You can find your rules and regulations on our website at www.ahunter.com. The rules and regulations are listed on your community page. You can also call the office if you have any questions.

Checks must be written to Co Z Home Rentals not A. Hunter. Rental payments can also be made online at: www.ahunter.com

Phone/Email Changes

Please notify the office if your phone number or email address has changed. Occasionally we send phone blasts to inform residents of emergencies, such as water being shut off. Updating your information with us ensures that you're aware of important issues.

Reminders:

- No FIREWORKS in the community
- Dogs cannot be left unattended outside nor tied outside. They must be under human control and on a leash when outside of your home.
- Pools are not permitted in the community due to insurance regulations and health & safety concerns (drowning, injuries, etc).
- Warm weather means children will be outside playing. Please slow down and watch for children while driving.
- Enjoy your Summer picnics, but please be mindful of your neighbors.
- Anyone who wants to live in the community **must be approved** as a resident.

SUNDAY, JUNE 19TH, 2022

A. Hunter's office will be closed Monday, July 4th.

Selling Your Home?

For residents who plan to sell their homes, please remember that the purchaser **MUST** be approved as a resident **BEFORE** they can live in the community. If the home is going to remain in the community, **the buyer must apply with A. Hunter and be approved before settlement.** If the buyer is NOT approved and we do not sign a lease with the buyer, the buyer will not be permitted to live in the community and will need to remove the home from the community.

9 Interesting Facts about Memorial Day

More than 1 million men and women who have lost their lives defending America in wars from the Revolution to the global war on terrorism are remembered on Memorial Day. Flags are placed at gravesites, ceremonies and parades are held as well as many other events to honor those who made the ultimate sacrifice.

1. Memorial Day was originally called Decoration Day. Gen. John A. Logan, commander of the Grand Army of the Republic, called for a day of remembrance on May 30, 1868, "for the purpose of strewing with flowers, or otherwise decorating the graves of comrades who died in defense of their country during the late rebellion." Nearly 620,000 soldiers lost their lives in the Civil War.

2. On the first Decoration Day in 1868, Gen. James Garfield made a speech at Arlington National Cemetery, where 5,000 participants decorated the graves of the 20,000 Union and Confederate soldiers buried there. (via history.com)

3. In 1966, Congress declared Waterloo, NY, the official birthplace of Memorial Day for being the first town to celebrate the holiday 100 years prior.

4. In 1968, Congress passed the Uniform Monday Holiday Act, which established Memorial Day as the last Monday in May, instead of May 30, in order to create a three-day weekend for federal employees. The change went into effect in 1971.

5. On Dec. 28, 2000, President Bill Clinton signed into law the National Moment of Remembrance Act, which asks Americans to pause on Memorial Day at 3 pm local time for one minute to honor those who died protecting America's rights and freedoms.

6. On Memorial Day, the U.S. flag should be displayed at half-staff from sunrise until noon, then raised to the top at full staff until sunset.

7. Red poppies are to be worn the Friday before Memorial Day. The red poppy is a nationally recognized symbol of sacrifice worn by Americans since World War I to honor those who served and died for our country in all wars.

8. The American Automobile Association estimates that more than 36 million people will travel at least 50 miles from home this Memorial Day.

9. "Peak hot dog season" is considered to start on Memorial Day. Between then and Labor Day, Americans will likely eat 7 billion hot dogs.

Sudoku

Sudoku is played on a grid of 9 x 9 spaces. Within the rows and columns are 9 “squares” (made up of 3 x 3 spaces). Each row, column and square (9 spaces each) needs to be filled out with the numbers 1-9, without repeating any numbers within the row, column or square.
