Community Inspections

Now that warmer weather is here, it's time for Spring cleaning and community inspections. Below is a list of the things we look for when we inspect your community:

- Homes should be power washed if they are dirty or contain mildew. Homes should be clean and painted.
- Yards should be mowed and maintained.
- Patios/porches and yards should be free of debris and clutter.
- Porches should only have lawn furniture and a grill.
- There should be no garbage or junk lying around.
- Skirting should be well maintained and installed properly.
- Sheds should be well maintained and properly painted/stained.

Inspections

Inspections are done to ensure the pleasant appearance of the community. We ask that everyone is neat and is keeping their home and lot maintained. This makes an appealing community for everyone. We aren't out to "pick on residents", we just want to ensure that things are maintained, as you agreed to when you moved in to the community. If you have are unsure of your rules and regulations, please review them. You can find your rules and regulations on our website at www.ahunter.com. The rules and regulations are listed on your community page. You can also call the office if you have any questions.

Phone/Email Changes

Please notify the office if your phone number or email address has changed. Occasionally we send phone blasts to inform residents of emergencies, such as water being shut off. Updating your information with us ensures that you're aware of important issues.

Reminders:

- No FIREWORKS in the community.
- Dogs cannot be left unattended outside nor tied outside. They must be under human control and on a leash when outside of your home.
- Pools are not permitted in the community due to insurance regulations and health & safety concerns (drowning, injuries, etc).
- PARENTS, know where your children are and what they are doing. They are your responsibility. Please remind them that they should not be on lots belonging to other residents.
- Warm weather means children will be outside playing. Please slow down and watch for children while driving.
- Enjoy your Summer picnics, but please be mindful of your neighbors.
- Anyone who wants to live in the community **must be approved** as a resident.

A. Hunter's office will be closed Monday, July 4th.

Selling Your Home?

For residents who plan to sell their homes, please remember that the purchaser **MUST** be approved as a resident **BEFORE** they can live in the community. If the home is going to remain in the community, **the buyer must apply with A. Hunter and be approved before settlement.** If the buyer is NOT approved and we do not sign a lease with the buyer, the buyer will not be permitted to live in the community and will need to remove the home from the community.

Feel Free to Contact Us

Always feel free to reach us at info@ahunter.com. If you call the office, please leave a message so we can return your call. Occasionally our phones are very busy. If you leave a message and a call back number, we will return your call. Frequently when we return calls, we get a message that says, "the voice mailbox you are trying to reach is full". We cannot leave a message if the voice mailbox is full. Please check your phones and make sure your mailbox is able to accept messages.

MEMORIAL DAY
REMEMBER AND HONOR
MONDAY, MAY 30, 2022

Garbage Cans are Required

Each household must have a garbage can with a lid. We are seeing homes with trash bags sitting around the property. Garbage cans reduce odor and prevent invasion by pests and insects. The trash, if left loose and uncovered, can also create a fire hazard if scattered materials like paper are allowed to blow out of the cans. Your neighbors do not want your garbage in their yard. If you do not have a garbage can, please purchase one today.

Interesting Facts about Memorial Day

More than one million men and women have lost their lives defending America in wars from the Revolution to the global war on terrorism. On Memorial Day we honor and remember those who made the ultimate sacrifice.

1. Memorial Day was originally called Decoration Day. Gen. John A. Logan, commander of the Grand Army of the Republic, called for a day of remembrance on May 30, 1868, "for the purpose of strewing with flowers, or otherwise decorating the graves of comrades who died in defense of their country during the late rebellion." Nearly 620,000 soldiers lost their lives in the Civil War.
2. In 1968, Congress passed the Uniform Monday Holiday Act, which established Memorial Day as the last Monday in May, instead of May 30, in order to create a three-day weekend for federal employees. The change went into effect in 1971.
3. On Dec. 28, 2000, President Bill Clinton signed into law the National Moment of Remembrance Act, which asks Americans to pause on Memorial Day at 3 pm local time for one minute to honor those who died protecting America's rights and freedoms.
4. On Memorial Day, the flag should be displayed at half-staff from sunrise until noon, then raised to full staff until sunset.
