We're Moving

We are relocating and ask for your patience as we make the move. We are working with Comcast to move our phone and fax lines. If you should experience any issues with reaching us, please reach out to me via email and we will get right back to you.

We are doing everything possible to make sure everything is transferred in the evening and week-ends, however, in the event of any issues, we wanted you to be aware of what was happening.

As always, we are here for you and look forward to addressing your needs.

Spring Clean Up

Now that Spring is here, homes should be clean and power washed (if needed), skirting should be neatly tracked, yards should be mowed, and lots trimmed.

Rent can be Paid Online

A reminder rent can be paid online at www.ahunter.com. You can also access your transaction history. To pay online, please contact our office for the initial set up. You can also view your newsletters, see homes that are for sale in your community, fill out applications, and more.

Rent Reminder

Rent **must be received by the 5th** to avoid a late charge. The late fee will be based on the date it is received by our office, not by the postmark date.

Meet Our Staff

Mark Emberger

Mark Emberger is one of our property inspectors. He is dedicated and thorough and the residents and owners both admire and respect the job he does. Mark's job is to make sure the residents are complying with the rules and regulations, and the community itself is being maintained and safe.

In addition, Mark also attends our hearings and does a fantastic job. He is extremely detailed and organized and we are so happy to have him as an employee of A. Hunter.

Effective May 1, 2019 there will be a change addendum to your lease, rules and regulations with Lebanon Valley.

Rent has always been due on the first of the month. You were given a grace period of 5 days based on the postmark on your envelope.

Effective May 1, 2019, the late fee will not be based on the postmark on your envelope. It will be based on the date it is received by our office.

Any rental accounts not paid IN FULL or received by our office will incur a late charge on the 7th of each month.

In order to not be assessed late fees, you should mail your payment in a timely manner so it will reach us by the 1st, keeping in mind, you don't know how long the mail service will take to get it to us, so give yourself enough time to ensure we have the payment on time.

No Postdated Checks

Please do not send postdated checks. When we receive a postdated check, you run the risk of having it put through your account or having it sent back to you. We cannot accept checks that are postdated.

Spring Maintenance

When the clocks jump forward and the temperatures start to rise, we start enjoying the Spring sun's warmth for the first time since fall. Around this time, we turn our attention outside towards our lawn and garden. It is important to properly fertilize your lawn to get that beautiful shade of green we all envy in a lawn. Also, it is critical to clean your gutters and spouts for the rainy days ahead to avoid unwanted water leaks in your home.

Unfortunately, with the good weather comes pollen, so it is also important to clean your windows, blinds and curtains to prevent pollen and dust build up and keep the air quality up inside your home. And don't forget, when clocks "spring forward" and "fall back", test your smoke detectors to make sure they are powered and working properly to keep your family safe!

We often focus on interior repairs, since that's where we spend the most time. However, you shouldn't overlook exterior repairs, especially in the skirting department. Mobile home skirting protects the underside of your home from weather, and it keeps out pests who would like to make it their home. It's pretty important.

Skirting: Repair or Replace?

If your skirting is only mildly damaged in a few places, you may be able to repair it without replacing it. If you have a few holes in your vinyl skirting, you should absolutely patch them up before winter. Remember, your plumbing runs under your mobile home. If you don't protect it properly, your pipes could freeze in the winter. Definitely patch those holes!

Vinyl skirting often gets damaged by weed whackers (string trimmers). It just can't stand up to that spinning string on its own. However, an easy fix is to install some **skirt guard** along the bottom of your vinyl skirting. This guard is designed to stand up to weed whackers and other hazards that damage vinyl skirting.

If your vinyl skirting is really in bad shape, you can always replace it with something stronger. Vinyl can be a little flimsy—but luckily, it isn't the only option. Stronger mobile home skirting like Reil Rock and Novik Stone generally won't blow out in a storm. Even better: they hold up to weed whacking just fine.

Happy Easter

April 21st

1. Easter is the celebration of the resurrection of Christ. It is the oldest Christian holiday and one of the most important days of the year.
2. The Easter egg is said to symbolize and represent joy, celebration and new life.
3. The art of painting eggs is called pysanka, which originated in Ukraine. It involves using wax and dyes to color the egg.
4. Americans buy more than 700 million Peeps during Easter, making Peeps the most popular non-chocolate Easter candy.
5. Seventy-six percent of people eat the ears on the chocolate bunny first.

- The moniker 'Mom' comes from babies. The first thing a baby can vocalize is the 'ma' sound, which is why in almost every language the word for mother begins with the letter 'M'.
- According to research, more phone calls are made on Mother's Day than any other day of the year.
- Around one-quarter of all flowers purchased throughout the year are purchased for Mother's Day. Studies show that giving fresh flowers have many positive health and psychological benefits.
- Many of the trademark sweaters Mr. Rogers wore on his television show, *Mr. Rogers' Neighborhood*, were knitted by his mother.

10 kids can pick up 5,000 eggs in a yard the size of a football field in 10 minutes.

But it takes them 3 months to pick up 5 toys in their bedroom.

Facts You May Not Know About Memorial Day

May 27th is Memorial Day, a federal holiday remembering the people who died while serving in the country's armed forces.

- Originally called Decoration Day, families and soldiers would decorate graves of their Fallen Civil War soldiers with flowers, flags and wreaths. Hence Decoration Day.

- Memorial Day became its official title in the 1880s, but didn't legally become Memorial Day until 1967. It's observed on the last Monday in May.
- The flag is supposed to be flown at half-mast until noon, then at full mast until sunset on Memorial Day.
- A National Moment of Remembrance is legally required at 3:00pm each Memorial Day.

"Words are even more feeble on this Memorial Day, for the sight before us is that of a strong and good nation that stands in silence and remembers those who were loved and who, in return, loved their countrymen enough to die for them."

Ronald Reagan
