Heat Tape

Please make sure your heat tape is installed and working. The light on your tape may be on, however, the tape could still not be functioning. Check to make sure your lines are warm to the touch to ensure the tape is working properly. You cannot leave water running/dripping to avoid having your lines freeze. In addition, should your lines not be heated, the water meter could freeze and burst. If this occurs, you would be responsible to pay for the new meter and the installation, which is approximately \$400.

Snow Removal

Please keep in mind that with winter approaching, it is important to keep the roads as clear as possible so the plows can get through and give residents access to the roads. If you have a driveway, please pull the cars all the way into the driveway. If you do not have a driveway, try to pull as far off the road as possible, or you may consider parking in the overflow until the plow trucks are finished. While our contractors do their best to not plow you in or make things inconvenient for our residents, there may be times when there is a snow drift behind your driveway. As everyone experiences, (even homes not in communities), sometimes we do have to shovel out behind our driveways once the plows are finished. Should you have any concerns with regards to the plowing, those concerns should be directed to the office and NOT to the snow plow operator.

9/16/2021

Dear Resident,

This letter is to advise you of a rental increase effective December 1, 2021, presented to you in accordance with the PA Mobile Home Law, Section 6, Disclosure of Fees. While every possible effort has been made to maintain the overall operational costs to a minimum, other operational costs outside of our control have made it impossible to maintain rents at the current level. The owner has tried covered the increased cost of operations for about 3 years, however, this year we are left with no alternative but to pass some of these costs onto you in the form of a rent increase.

This rent increase in the sum of \$25 will take effect December 1, 2021. Thus, as of December 1, 2021, your total lot rent will be \$525.00 per month. On December 1, 2021 your rental agreement will be automatically renewed under the same terms and conditions except for the new monthly/yearly rental rates.

As before, all rents are due and payable on the 1st of each month and must be received in the office by the fifth (5th) day of the current month by the close of business hours. If you rent is not paid on time, you will be charged a late fee.

Rent payments must be made payable to **Co-Z Homes** and sent to the following address:

A. Hunter Property Management, Inc.
PO Box 224
Annville, PA 17003

We are proud to have you as a resident and look forward to a continued long, and pleasant relationship. Our goal is to constantly upgrade the property and maintain the overall conditions to the highest possible standards. In order to accomplish our goals, we will, of course, need the full cooperation of each and every one of you. We are confident that our adjusted rental schedule for your community remains both realist and competitive.

If you have any questions, please do not hesitate to contact us.

Sincerely,

Lisa Stewart

Meet Our Staff

Connie Santana
Office Manager

Connie Santana is our Administrative Assistant. Connie began answering phones for A. Hunter 11 years ago and has worked hard to become our full time Office Manager. Connie takes care of resident concerns, works with the tax offices, and coordinates many of the office functions. Connie has been a valuable team member and we would be lost without her dedication and loyalty to A. Hunter. She is always there to help our residents and make sure they are satisfied and happy in our communities.

Home Owners Insurance

Your lease, rules and regulations require you to have homeowner's insurance. If a tree were to fall on your home, the community insurance does not cover your personal property. This is only one example of the many things that could destroy your home. Fire, flooding, etc - all can be devastating. Not having insurance to repair your home if something were to happen would leave you without a residence. Please call your insurance agent today and make sure you have your home and personal belongings insured.

Selling Your Home?

Please remember if you are selling your home, the **buyers must be approved** to live in the community IF they are going to keep the home in the community. **This approval must be done before they can live in the community.** It is imperative that your prospective buyer completes an application online at www.ahunter.com or contacts our office for an application. If someone moves in without being approved, we will have

them removed from the community, which would mean the buyer is going to be coming back to you for allowing them to move in when they weren't approved. As the current lease holder, remember, your lease will not terminate until we have a lease with a new resident.

A Doggone Issue

We continue to receive complaints that residents are not cleaning up after their pets. When you moved into the community, you agreed to clean up after your pet. Your pet is your responsibility. Please respect your neighbors and clean up after your pet. Also, dogs **MUST** be on a leash and under human control at all times.

Dear Resident,

It has been brought to our attention that there may be an error in your lease agreement.

Paragraph 16(c) – Notice Requirement for Leases with Terms of 60 days or less.

MAY CURRENTLY STATE:

c) Leases with Terms of Sixty (60) Days or Less. If the term of this Lease is sixty (60) days or less, the notice required in this paragraph 18 will be **no fewer than fifteen (15) days** prior to the end of the then current term of the Lease. Lessee will deemed to have accepted the proposed changed terms, and this Lease will renew on such terms, unless Lessee notifies Lessor, within ten (10) days after receipt of Lessor's notice of the changed terms, that Lessee does not accept the proposed terms and will not renew this Lease, and Lessee vacates the Premises by the end of the then current term.

CHANGED TO:

c) Leases with Terms of Sixty (60) Days or Less. If the term of this Lease is sixty (60) days or less, the notice required in this paragraph 16 will be **no fewer than thirty (30) days** prior to the end of the then current term of the Lease. Lessee will deemed to have accepted the proposed changed terms, and this Lease will renew on such terms, unless Lessee notifies Lessor, within ten (10) days after receipt of Lessor's notice of the changed terms, that Lessee does not accept the proposed terms and will not renew this Lease, and Lessee vacates the Premises by the end of the then current term.

Your current lease may state the 15 days instead of the 30 days. The correct number is 30 days.

We have always given at least 30 days notice, and in most cases 60 days notice for rent increases and change in the rules and regulations and will continue to provide such notice going forward.

Should you have any questions, please do not hesitate to contact us.

Sincerely,

Lisa A. Stewart
